Seal Verification (v1)

To independently verify the integrity seal, compute the SHA-256 hash of the following fields joined by newline characters (\n), in this exact order:

1. Signature ID
2. Organization ID
3. Document Type (the raw value, e.g. NDA)
4. File ID
5. File Hash (SHA-256, lowercase hex)
6. Signer Full Name
7. Signer Email (lowercased)
8. Signer IP Address
9. Signer User Agent
10. Consent Text (the full text shown above)
11. Signed At (UTC, RFC 3339 with nanoseconds, truncated to microsecond precision)

The resulting lowercase hex-encoded SHA-256 digest must match the seal shown above.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, the organization identified in this certificate (we, us, or the Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the Probo platform. Please read the information below carefully and thoroughly.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that you wish to withdraw your consent to receive notices and disclosures electronically. How you must inform us of your decision is described below.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the Probo platform all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us.

How to contact us

You may contact us to let us know of your changes as to how we may contact you electronically, and to withdraw your prior consent to receive notices and disclosures electronically. To reach us, please send an email to legal@getprobo.com.

To advise us of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at legal@getprobo.com and in the body of such request you must state your previous email address and your new email address. We do not require any other information from you to change your email address.

To withdraw your consent

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- decline to sign a document from within your signing session, and on the subsequent page, indicate you wish to withdraw your consent; or
- send us an email to legal@getprobo.com and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process.

Acknowledging your access and consent to receive and sign documents electronically

By signing the document electronically through the Probo platform, you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Signature Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify us as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of your relationship with us.

This certificate was generated automatically by Probo. The integrity seal and TSA timestamp provide tamper-evident proof of the signing event. All information required to independently recompute and verify the seal is included in this document.
